

Summer Session

April 1915

University of Toronto.

SUMMER SESSION.

1. (1) Have you thought of attending one of the Summer Schools at the University of Toronto? You can improve your professional standing at a very small cost by taking advantage of the provisions made in your interest by the Department of Education in co-operation with the University. Tuition is free to all those regularly qualified who are teaching under the Provincial System. For such, also, where necessary, the examinations have been subdivided so that it is possible to take the work required in addition to the regular school work.

(2) During the coming summer, instruction is offered at the University of Toronto, leading to certificates as follows:—

- (a) In Elementary Household Science.
- (b) In Elementary Manual Training.
- (c) In Elementary Vocal Music.
- (d) As Supervisors of Vocal Music.
- (e) In the Elementary Commercial subjects.
- (f) As Commercial Specialists. Part I or II or both Parts in 1915, as may be determined by the number of applications.
- (g) For admission to the Normal Schools (Middle School). Part A in 1915, Part B in 1916.
- (h) For admission to the Faculties of Education (Upper School). Parts A and B in 1915, Parts C and D in 1916.
- (i) Courses in the professional subjects of the first class Public School and High School Assistant's examination for students exempt from attendance in the Faculties of Education.
- (j) Courses in the subjects of the special examination for certificates as Public School Inspectors.
- (k) Courses in the subjects of the auxiliary classes for teachers interested in the instruction of the feeble-minded.
- (l) Courses for candidates for Kindergarten Primary certificates.

2. In addition to the foregoing courses at the University of Toronto, Summer courses will be provided as follows under the same conditions by the Department of Education in co-operation with the Ontario College of Art and the Ontario Agricultural College:—

- (1) At the Ontario College of Art, leading to certificates—
 - (a) In Elementary Art.
 - (b) As Art Supervisors.
 - (c) As Art Specialists.
- (2) At the Ontario Agricultural College, Guelph, leading to—
 - (a) Elementary Agricultural certificates for teachers of Public and Separate Schools.
 - (b) Intermediate certificates in Agriculture for teachers of High and Continuation Schools.

3. Though arrangements have not yet been completed, it is altogether probable that instruction in Physical Culture will be given at Toronto, London, and Ottawa, leading to certificates—

- (a) In Elementary Physical Culture.
- (b) As Supervisors of Physical Culture.
- (c) As Specialists in Physical Culture.

4. A complete syllabus of all the courses referred to above will be distributed in May amongst the teachers of the Province; but if you are interested in any of them, send us the enclosed card and we will supply in advance any information you may now need.

ALBERT H. ABBOTT,
Secretary of University Extension.
